Sale Headquarters, Koneta Hotel, Wapakoneta, Ohio

Information for the Buyer

Time—Saturday, April 30th, 1960—Sale at 1:00 p. m.

Location—The Sale will be held at the Auglaize County Fairgrounds, Wapakoneta, Ohio.

Sale Headquarters—Koneta Hotel, Wapakoneta, Ohio.

Guarantee—The Standard Guarantee of the American Shorthorn Breeders' Association shall apply to all cattle sold in this sale. Announcements from the auction box will take precedence over printed matter in the catalog.

Terms—The terms of this sale are cash unless arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off but the management will attend to the loading on cars or trucks in compliance with instructions from purchasers. The above guarantee and terms shall constitute a contract between the buyer and seller of each lot. Neither the Sale Manager, Clerk or Cooperating Agencies assumes any liability, legal, financial or otherwise.

Insurance—Full coverage may be secured effective at time of sale.

Registration—A certificate of registry will be furnished for each lot sold for unborn calves a properly signed application for registry will be furnished.

Footnotes—Are furnished by consignors or from information supplied by same.

Accidents—We will not be responsible for any accidents that may occur but will make every effort to provide for the comfort and safety of our guests.

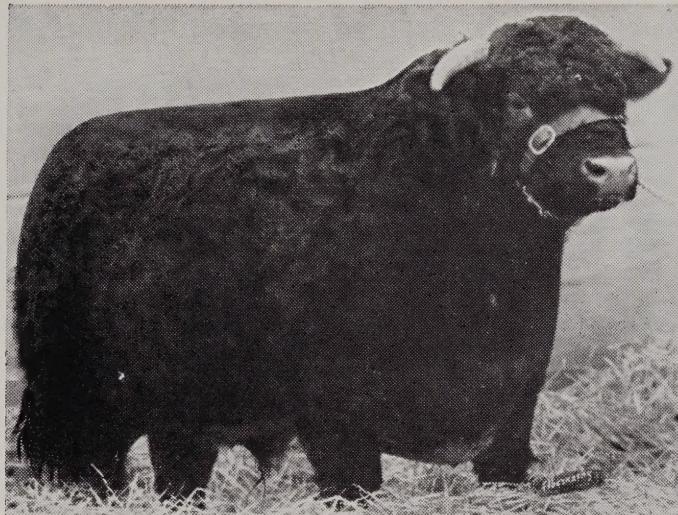

Auctioneers—Ned W. Place, Wapakoneta, Ohio; Ross Downing, New Hampshire, Ohio.

Mail Bids—Those unable to be present and who desire to take advantage of the buying opportunities in this sale may rest assured that mail, wire or phone bids will be honestly and confidentially executed. Bids will be handled by the following competent men:

Special Representatives—Jim Browitt, American Shorthorn Breeders Association, Omaha 7, Nebraska. Horace Walker, The Shorthorn World, 16 So. Locust St., Aurora, Ill.

Sale Manager—Ned W. Place, telephone RE87123, Wapakoneta, Ohio.

Lunch—Lunch will be served on the grounds.

Calrossie Troubadour, the famous imported sire used at Acadia that sired the 1956 International grand champion steer.

BROOKSIDE CRUSADER 17TH is an exceptionally good bull prospect. He is deep thick and lowset and comes from a family that has done particularly well for us in the show and sale ring through the years. The most recent, an eleven months old bull calf out of a full sister was the top in this year's Denver show at \$1500. He was owned by John Shuman of Deertail, Colorado and sold to William Hartley of Brewster, Kansas. Our herd is brucellosis and TB accredited.

Red, Harvey Hoewischer & Son

CONQUEST COMMANDER—You have heard us talk about the breeding ability of the sons and daughters of Shore Acres Dunrel. Here is a calf out of a daughter of Dunrel and we are about ready to brag a little about him. Never have we had a calf that has responded to feed any better than this calf. He is really a lowset thick package that bears down on the scales. We think he could do a good job in a lot of herds. We have found that the blood of the Wonders blends very well with the blood of Dunrel. Why not study this calf before you buy your next herd bull?

Drynie Wonder, one of the great bulls used in the State of Ohio. One of his famous sons was Willow Lee Wonder 17th. Nearly half of the pedigrees in this catalog can be traced to Willow Lee Wonder or Drynie Wonder.

Lot 5—Bull

Harvey Hoewischer & Son

Dunrel Hilda 4th 2757508	
Red, Harvey Hoewischer & Son	

CONCENTRATION—It was a last minute decision to consign this bull as we fully intended to keep him to show this fall. However in order to build the sale it takes bulls such as this. Few bulls are as rugged and thick as this one. You'll notice he is the result of a Willow Lee Wonder 17th daughter bred back to the 17th. Many times people have said that any good sire had to have a good mother. Well we think this calf has a wonderful mother and a great maternal grandmother. Certainly this type of background should help guarantee his performance. He has been a great doer and weighed over 925 at a year old. Why not drive over so we can show you the mother and grand mother of this calf?

Lot 6—Bull**Floyd Snavely****SUNNYBROOK WONDER 3035-980**

Red, H. D. Fleming

ELMDOWN SECRET 14TH a heifer of very pleasing type, low set with a lot of depth and spread. A very feminine heifer with all the prospects of a good brood cow. She has been wintered with the cow herd and is in ordinary flesh. We have several of these Dorsey Jones Secrets in our herd and they have been good producers. She was bred August 14th to a son of Femco Better News 18th, he by the great producing bull, Camson Better News. Vaccinated for Bangs. Look her over sale day and you will want to own her.

Dunrel Rosebud 4th sold for \$600 in the 1958 Hoewischer & Katter Sale to Harold Frey of Oxbow, Saskatchewan. A full sister was grand champion at the 1955 Ohio State Fair and sold for \$1000 to J. Mallory Nash at Warrenton, Virginia. Lot 11 is from this famous Rosebud family.

W W CAPACIOUS QUEEN—This family has produced well for us. You'll notice the cow in our consignment is out of same cow as this heifer. Another daughter went to McLynn Plantation in Georgia. Then too another daughter of the old cow is the grandmother of WW Capacious Queen A. Look this group over and perhaps you too can use one of this prolific family. In addition to the maternal back ground she is by the great breeding bull Willow Lee Wonder 17th. Vac.

DUNREL CAPACIOUS QUEEN 2nd—This young cow was a member of our show herd as a senior calf and was a member of our winning get at Michigan. We think her heifer calf is a good recommendation for her. The young cow has many useful years ahead and is due to calve again in May. Calfhood Vac.

D B Beauty is an example of the quality of the Hoewischer cattle. She sold in last year's Willow Lee Hoewischer Sale at a high figure to Hollis Hanson of Connersville, Indiana.

PMC QUEEN—This typy young lady certainly should be evidence of a cow's ability tn produce. We think a lot of this heifer calf and the other calves we have by the Troubadour bull. They are a nice lot. Unfortunately, however, we lost the Troubadour bull this spring and we hate to see these nice females leave the farm. We hope you will appreciate this heifer and her mother. Vac.

This is a good rugged heifer that has not been to well fitted but should do someone some good since her dam produces a calf every 10 months. She is bred since August 1 to Bolido Jubilee, son of Bolido Beau, the herd sire used by Ward Bricker.

WHY SHORTHORNS?

Shorthorns, the oldest and the best of the recognized beef breeds, have occupied a vital place in agricultural economy for almost a century and a quarter. These good-going gentle red, white and roan cattle are readily adaptable to the most practical farm programs. No other beef cattle provide a greater potential for profit and pleasure. Shorthorn bulls produce big rugged calves that set records for rate of gain. Shorthorn cows make ideal mothers. Whether you choose purebred or commercial beef cattle, you'll find that Shorthorns are truly best in every weigh!

STANDARD GUARANTEE

— O F —

American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
